Hi Louise,

Below is the site ID number for Columbia Falls, MT. Next week I will be joining Rob Parker on part of the Site assessment. I will be traveling POV from my residence in Libby, MT to Columbia Falls. This is about 120 miles each way.

I plan on leaving Libby on Monday and returning Tuesday evening. Feel free to let me know if you need additional information.

Rob, would you please respond to this email as well on where you will be staying so I can see if Louise can get me in the same hotel?

Thanks,
Mike

Hi Mike,

Thanks for the call today. I'm glad we connected and aren't playing phone tag. The site ID for the Columbia Falls site is A882. I told Victor you were going to get in touch with him regarding travel.

My personal cell is Personal Privacy / Ex. 6 It's a personal number, so I'd appreciate you not giving it out. It is the best way to get in touch with me while we're in the field.

Looking forward to meeting you tomorrow, hopefully! If not, then hopefully next week.

Thanks,
Rob
